
GlobeofGeek Whitelist

Why is it here?

-Aman741

This is the most crucial part of Globeofgeek, as staff has enforced new rules. According to prt0100, GOG has set-up a new system. And this is what he has to say, "The staff have all agreed; Globe of Geek needs a whitelist. The forums are repelling the new/potential members, and the goal of the site is not being achieved. Therefore, we are picking the members we find more beneficial and helpful to the community to post. If you are not on the whitelist, you will not be able to post.

Here is the Whitelist so far. This is subject to change, but if you aren't seen as

Here is the section of where you can be Whilelisted.

Many of GlobeofGeek members don't agree with this. But personally looking to another side, GlobeofGeek has improved to more sensible topics. Which GlobeofGeek is do making an improvement.

"The main point is to make GlobeofGeek a place for anyone to submit content and earn points." as this is the main answer to GlobeofGeek.com's existence.

The owner of GlobeofGeek has said, "This is a simply an experiment, for people to give more contribution to the site."

So this might last for a couple more days, If truly this is a chaos.

More information will be informed.
