Alright, Xk, this has gone far enough with him... He just came over to my house in tears because of you (or someone) banning him... That's harsh... Yes, I did teach him most of what he knows, and he has been able to succeed me in a couple ways, but that's no reason to ban the poor guy... He's very emotionally sensitive, and things like this make him explode...

Unban him, Xk... We both beg you... This needs to end NOW

OK, Jordan and I are getting sick of this... Unban the innocent guy please, he's tired of being banned for no reason relevant to him...

Also, we have different IPs, so why are you suspecting him?
