Jim Sterne

THE FUTURE OF ONLINE CUSTOMER ANALYTICS - 20. NOVEMBER 2013

The God Father of Web Analytics

Founding President, Chairman at Digital Analytics Association, Founder at eMetrics Marketing Optimization Summit and President at Target Marketing

Jim Sterne is an international consultant focused on measuring the value of the online marketing for creating and strengthening customer relationships.

Sterne has written eight books on using the Internet for marketing, produces the eMetrics Marketing Optimization Summit and is co-founder and current chairman of the Digital Analytics Association.

He has simplified the complexities of online marketing in front of large audiences and for major corporations since 1994.

Jim Sterne was named one of the 50 most influential people in digital marketing by Revolution, a top marketing magazine in the United Kingdom, and identified as one of the top 25 Hot Speakers by the National Speakers Association.

Jim is dedicated to helping companies understand the possibilities and realities of conducting business online, and measuring the value of the Internet as a medium for creating and strengthening customer relationships.
