Introduction:

The Federated Republic of Calibria and its representatives would like to introduce a proposal for the ninth amendment to the Charter of the USNW. This amendment would pertain to the levels of membership in the USNW.

The Republic believes the level of Ambassadorial Membership is mostly, but not entirely, redundant. The Republic would like to propose the abolition of this level of membership and also would like to propose a name change for the level of Full Membership.

This resolution is an Amendment because it changes the levels of membership designated in the Charter.

Body:

- This amendment will abolish and completely remove the membership level of “Ambassadorial Membership” established in the Charter of Government in Chapter One, Article 2, Section C.
 - All current Ambassadorial Members⁺ shall be shifted to the new level of membership establish in the following lines of this proposal.
- This amendment will rename the level of membership designated as “Full Membership” in the Charter of Government in Chapter One, Article 2, Section B to plainly “Membership” and all nations in this level will be designated as “Member States”.
 - All current Full Members will be shifted to this new level of membership.
- Any changes that need to be made on the forums concerning this change will be made by any of the administrators.

⁺: Ambassadorial Member states include: Sinope, Lansay, and Mitron
