### Arrival Instructions

*Once you arrive at the airport, please check in with SuperShuttle (airport procedures vary by location, please see airport specific instructions in your email confirmation). Once you have checked in with us, you will be grouped with other passengers going in the same direction and the next available van going to your area will be sent to pick you up. (Due to security at airports, even with a reservation, we cannot have a van waiting for you at the curb. Our vans wait in nearby "holding lots" and once you have checked in with us, a van will be sent for you and the other people going in your same direction.)*

Upon arrival, follow the signs to the baggage claim and collect your luggage. Exit the baggage claim and proceed to the outside curb. If you are at terminal 3, 4, 7 and International Terminal, turn left. If you are at Terminal 1, 2, 5 & 6, turn right. Follow the overhead signs with the orange logo marked "Shared Ride Vans." At the loading zone, present your confirmation number to the uniformed Customer Service Representative. If for any reason you need assistance locating a representative, or if you have any questions, please look for our Mobile Supervisor driving a van marked "SuperShuttle Customer Service Supervisor" or call 1 (800) 801-7600 for further assistance.
