

Dear Sir/Madam

Greetings from the students of the Indian Institute of Science, Bangalore!

We are delighted to present to you **Pravega 2014** – the inaugural edition of the annual Science, Technology and Cultural festival of IISc. We warmly invite the students of your college to be a part of this unique event to be held from **31st January to 2nd February 2014** at our sprawling, green 443 acres campus.

Pravega aims to bring together the brightest young minds of India from the fields of science, engineering as well as humanities by providing a common platform where they can interact, compete and share ideas. With over 25 spectacular competitions, a lecture series, six exciting workshops, professional nights by critically acclaimed artists like Indus Creed and Nrityagram, unmatched exhibitions showcasing cutting edge research and technological advancements of the 21st century, Pravega is sure to provide its participants an exhilarating experience!

We hope to see participation of the students of your college at Pravega'14. We, therefore, request you to pass on the information about Pravega, enclosed along with this letter in the form of posters, to the students' community.

Yours Sincerely,

Pranav Mundada

Chief Co-ordinator,

Pravega 2014,

IISc, Bangalore – 560012
