

See You ...

.. Soon I hope.

P.S. If we ever meet again. Wave back.

To Phil,  
This card contains my thoughts. It contains things I want to let you know. It's kind of hard to start off. Let's begin with how I see you. You're not a bad person. You're actually nice sometimes. Even though you're strange and a little annoying and seem to be attached to circles a little too much, I think you're a good guy who has a deeper side to the other guy he shows everyday. They were random and out of place but I enjoyed the small convos we had online <sup>long ago</sup>. Weird but I liked the fact you brought it up.

I don't speak with you much anymore. Well, not as much as before although it was little then too. I know it's because you have your commitments to Melissa and I respect that. Though I kind of missed you joining us on the train. Remembering the days before makes me realize how fast time goes by and how quickly things change. I knew it was inevitable that you'd move schools. You're too smart. plus, you hate this dump. I feel sad though. Your place here will be missed. Not by Jishler but by me at least.  
Doana.
