Run by Trees, Bex and Hayley on the 26th Feb at 7pm, fundraising to take older guides to learn to ski.

Lots of prizes up for grabs, incl. \$120 Basalt tab. More details on the FB event page.

Post GBM activity suggestions:

- Pick something we wish to improve in & do a series of events to develop it
- Guitar basics (attempt 3)
- Light a really big fire. (For those who were there, think Waikato kayaking trip bonfire)
- Car night for new 5 point Police “twirl” checks (see [article](#)) plus basic checks
- Black water rafting – expensive, but will look out for GrabOne type deal
- Decent expedition of tramping/tramping & road tripping of South Island if possible
 - Clarke to investigate and produce a range of potential options for different budgets
