Brighton Education Management and TELL staff members .

Welcome to the first edition of TELL2 a communication tool to give everyone the latest information about our TELL2 project in Malaysia.

Included in this edition is a look at the contribution TELL Mentors have made to recent local and international conferences. We meet the mentors in Pekan. The insert brings us up to date with the English Language Project based in Johor and the results of the Photographic Competition. Please let your State Copy writer know if there is anything you wish to have included in our newsletter.

Good luck !
