but really though.
Shoes off
the bed.

Huh-?

Hold on~

roommate coming
back?

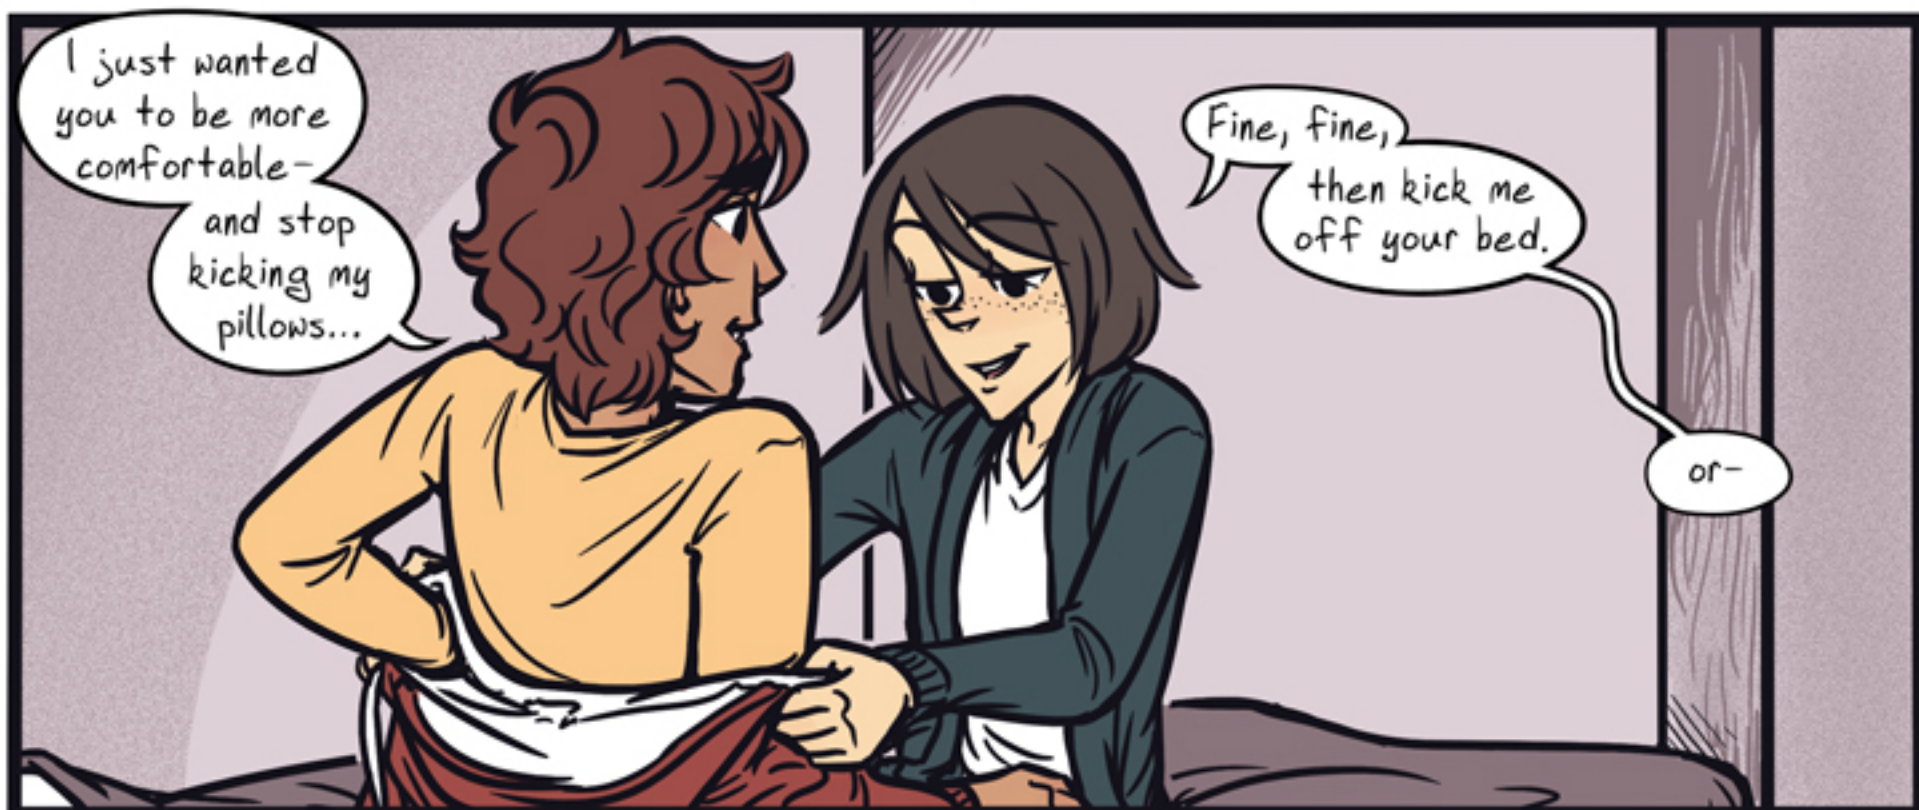

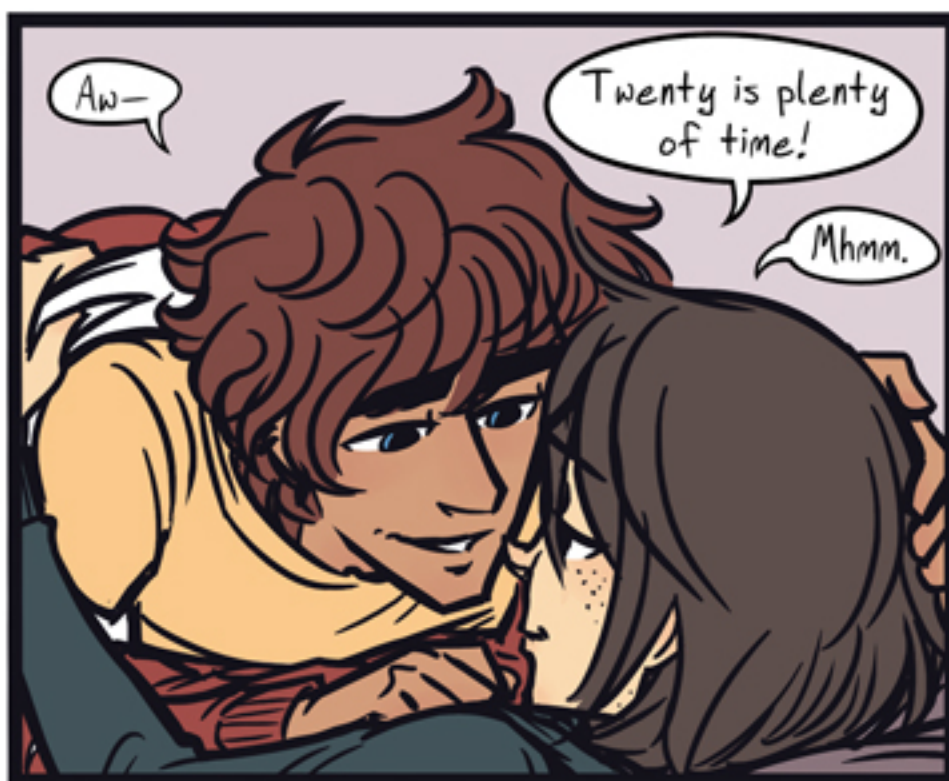

erm~

Twenty minutes?

yeah...

My shoes
stay on.

I should tell you I didn't bring you here for-

So I should stop?

Nope. Nope. Keep going.

Alright then.

hm-

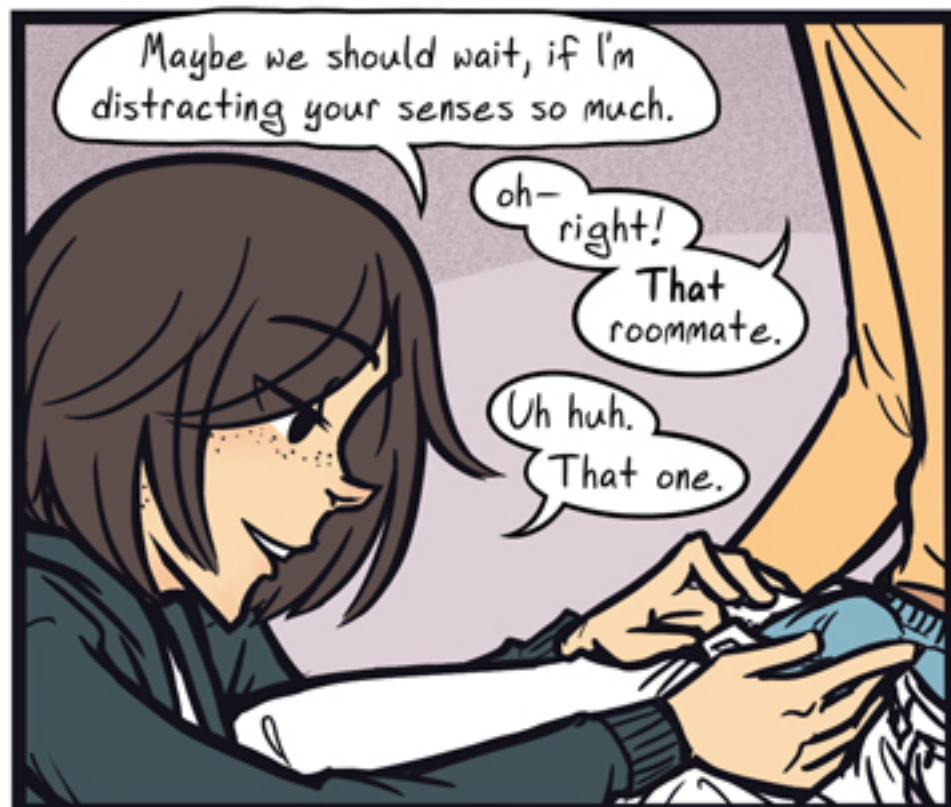

but what should I do if your roommate comes back early?

Ah- what roommate?

Psh. That's cute.

Very flattering, by the way.

Maybe we should wait, if I'm distracting your senses so much.

oh- right! That roommate.

Uh huh. That one.

I locked the door- just, ah-

bring up swim team or something.

That'll distract him.

Hm.

Fair enough.♡
