

DESIGN & ENGINEERING

In-house vs.
Outsourced

In-house **vs.** Outsourced **IS LIKE** Driving a Car **vs.** Taking a Bus

In-house Route

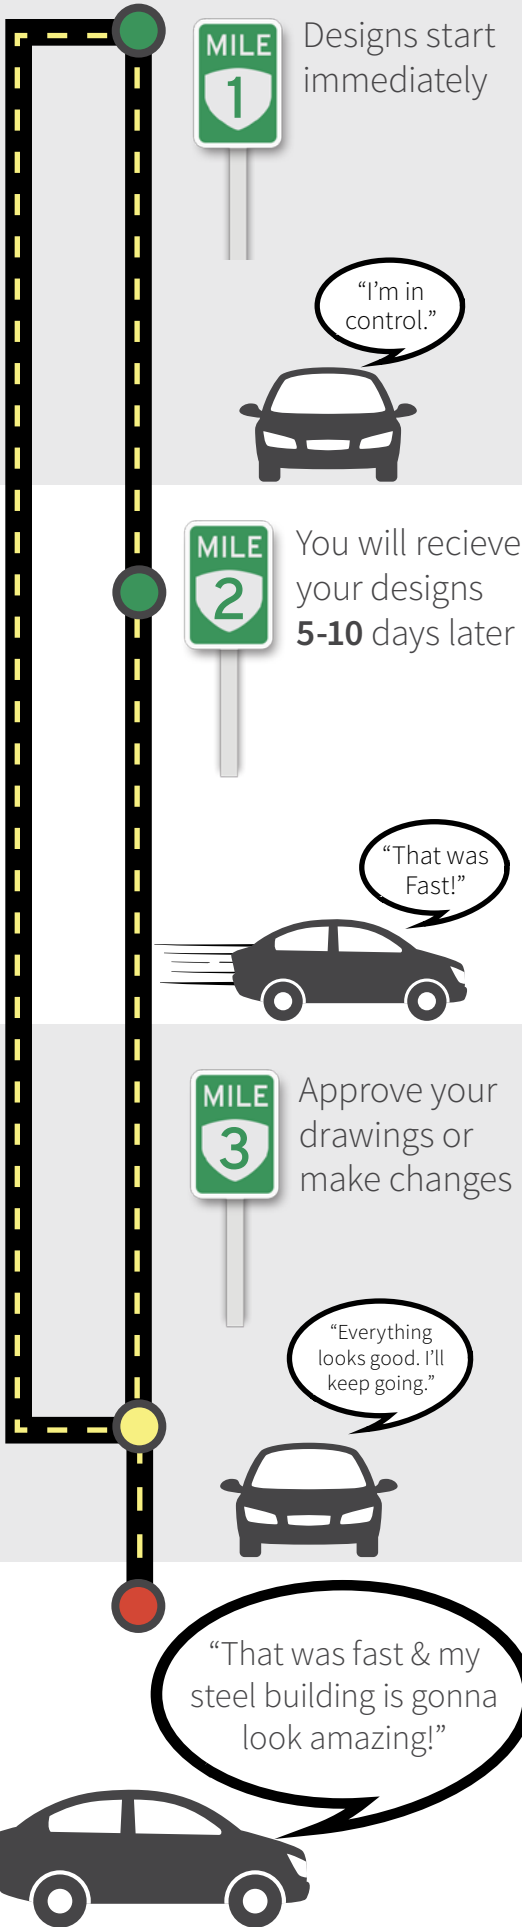

DESIGN
PROCESS
STARTS
AFTER
YOU BUY A
BUILDING

APPROVAL
DRAWINGS
ARE SENT
TO YOU

FOR CHANGES
Head to
Mile Marker 1

Head to
Bus Stop 2
(about 8 days
behind the car)

YOU ARE
NOW EXITING
THE DESIGN
PROCESS

Outsourced Route

Brokers typically shop for a low price design company

Days later, your designs get started

You will receive your designs 12-15 days later

If you make changes, call your broker & add at least a day to your trip

"That took forever. I'm exhausted."
