**Step 12.** Repeat as many times as you want.

Special TIP:

To not lose BTC, follow this technique;

Go with 0.0001

And roll dice 5 times or so, and then cashout.

Repeat as many times as you want.

That time if you are evr going to loose you will  
only lose 0.0001

And if you follow this steps, in some minutes you  
earn; 0.001

Then 0.01

Then 0.1

And finally 1 BTC!
