Identity

My name is Bruce Wayne.

I was born on March 24th in 1982 in Dallas, United States. Now I'm living in London, Great-Britain.

LIFE EXPERIENCE

the CEO, President and funder of SCO (Species Care Organization) since 2010.

I have travelled in all the countries of Africa.

I have lived in captivity with rhinos to see their lifestyle.

STUDIES-WORK EXPERIENCES

I have studied in Oxford University.

I have worked for « the Environmental Magazine » until 2002.

From 2002 until 2010, I have worked for the magazine « Mother Jones » and simultaneously I led actions with the organization WNO (World Nature Organization).

ACTIONS

I have tried to protect many animal species with the help of WNO.

I made a campaign to help Africa fight against drought.

I led many humanitarian actions :

I helped the french organization « Action contre la Faim » to give some food in the South Sudan and in Central African Republic.

I helped raise funds for the association « Action dans le Monde » to help villagers, orphans, widows, sick and other disadvantaged people in areas such as education or medical.
